Whether you call it foundation or paper piecing, this method of making quilt blocks is re-gaining popularity among today's quilters. Using a numbered muslin or paper pattern as a foundation, you create crisp, precisely pieced blocks! If you can sew a straight line, you can foundation piece!

For more information on foundation piecing, including a brief "Basic Lesson," visit the QUILTMAKER site at [www.quiltmaker.com](http://www.quiltmaker.com).

Use the pattern at left to create the center pinwheel portions of this "Clay's Choice" pattern. For the A patches, rotary cut fabric in  $2\frac{1}{2}$ " squares, and assemble according to block diagram. You'll need 8 A patches per block.

Sizes given are for an 8" block. If desired, enlarge or reduce the foundation pattern and A patch for alternate sizes.
